

Jay STABLES

BOARDING

Facility opened in 2003
Owners: Karen and John Rock
Managers: Karen & John Rock
Trainers: Karen Rock
Hours: 10:00 A.M. to 9:00 P.M. Daily

At our new location in beautiful Big Rock, Illinois, Jay Stables continues to serve all breeds of horses and their owners. We offer large stalls, turnout in grass pastures, a 65' by 110' indoor riding arena, a new sand outdoor riding arena, and a management team that cares for your horse like we care for our own. We also offer lessons and training in dressage. Our students are competing in local shows as well as in open dressage competitions throughout the region.

BREEDING

2006 Filly (Santiago x Escamilla)

Jay Stables has acquired mares with some of the best bloodlines available in the United States. We have been lucky enough to even find them in the coveted color of bay with the ability to produce black foals. In addition, many of our mares and their get can be registered in the Spanish studbook (PRE). Our philosophy in breeding is to produce an athletic, kind and correct foal that can go on to be a show competitor in many disciplines, into the breeding shed, or your next backyard best friend.

We limit our production of foals to make sure that we can individually work with and attend to each of their needs. Jay stables would like to breed the next generation of ambassadors for the Andalusian breed.

Saltadora UVF (Fandango D x Navarra UVF)

TRAINING

Lessons and training in dressage is available at Jay Stables. Karen Rock has been assisting horse owners since 1994 to produce horse and rider teams that are successful in the dressage ring as well as at home or on the trail. The focus is on the goals of each rider and the talents of each horse. Lessons and training are designed to work on the needs and desires of the team and not some preset program forced to get riders in the show arena.

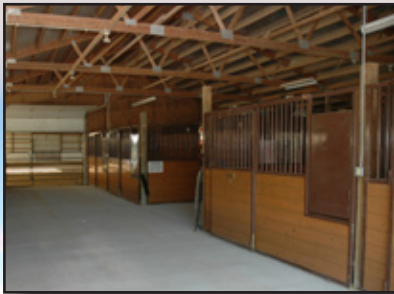

Divia G (Pregonero CGB x Bohemia Favory IXII)

Happy horses and riders come through slow and methodical methods that are based on classic dressage fundamentals.

Many of our young horses are now shown in halter at IALHA "A" rated shows. In the next couple of years we will be showing off the talents and the work of the horses and riders in recognized dressage shows. We are looking forward to getting back in the swing of showing and hopefully bringing home many ribbons!

Facilities: Two barns (16 stalls total, 14 12' x 12' and 2 oversized broodmare stalls), Viewing area, Indoor Arena (110' x 65' New footing!), Outdoor Arena (80' x 200' New footing!), 60' Round pen with sand footing. All our pastures are connected to mud lots and have a run-in shed to protect the horses from the weather. Turnout Paddocks, Pasture, Indoor Wash Rack with hot and cold water as well as radiant heat for your horses comfort. Outdoor Wash Rack, Tack Room, Security System. Our property is set up with a prairie path around the site to take a mini trail ride and relax yourself and your horse. Stall and pasture board available.

Escamilla (Centil x Ardorosa del Greco)
